FOR IMMEDIATE RELEASE

Your Ticket to UC Davis: A Transfer Admission Guarantee (TAG)

Davis, CA – April 28, 2009 (UC Davis Undergraduate Admissions)

A TAG is a formal, written agreement that outlines the courses you must complete before transferring. It also states the grade point average you must earn, and lists specific requirements for crowded majors.

After the TAG is written, you sign the agreement, along with your counselor and a UC Davis representative. These signatures guarantee that you will be admitted to UC Davis in the major you want, for a specific term, as long as you complete the stipulations of the agreement and apply for admission during the open filing period.

To arrange for a TAG, see your community college counselor. Once it has been determined that you are eligible to transfer to the university as a junior and that you meet the TAG criteria for your major, your counselor will start the process. Fall term TAGs are submitted to UC Davis beginning September 1 and no later than September 30. Don't delay!

Minimum Requirements

- Student must be enrolled full time at the TAG college when the agreement is written (exceptions are possible for part-time students)
- TAG may be written after student completes at least 30 semester (45 quarter) UC-transferable units
- TAG may be prepared and signed for up to one year before a student enrolls at UC Davis
- Minimum grade point average required for a TAG is 2.80 - 3.10 on transferable work, dependent upon major. Student must have this average at the time TAG is written and must maintain it throughout the remainder of their transfer work.
